**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a homeowner with an income, but I support broadband competition. Please, we need competition in the telecom field.

No deregulation!

Isn't that why you broke up Ma Bell? Why are you turning the clock back and going back to when there was zero customer service and ungodly prices?

We are finally going to have fiber by the end of the year, please don't make me regret it.
